

If you are signing up for Summer Camp, please read the Wellness Protocol and Key Points below in their entirety!

The Summit Gymnastics Wellness Protocol will be used for all activities and classes at SGA. This document explains all the measures we will be taking to implement social distancing, disinfecting, sanitizing, traffic flow, building preparation, etc.

These are the key points we want to reinforce for Summer Camp, in addition to the protocol:

- **Summer Camp Protocol Key Points:**
 - STAY AT HOME IF YOU ARE SICK or if any member of your family has had a fever or vomited within the last 48 hours
 - Coaches will be wearing masks when adequate social distancing cannot occur
 - In addition to regular sanitizing throughout the day, coaches and campers will be washing hands at 90-minute staggered intervals throughout the day
 - Each child will be provided with a basket to use throughout the day to store their belongings
 - All of our activities are designed to encourage social distancing
 - Camp numbers are limited to allow for maximum social distancing
 - Kids will stay in the same group all week to limit exposure
 - No sharing snacks, tablets, toys, etc.
 - Our water fountain is currently closed, please bring a water bottle

- **Dropping Off and Picking Up:**
 - Anyone entering the building/ dropping off must wear a mask at all times
 - All campers will have their temperatures taken and hands sanitized upon entering the building
 - You must drop off your campers between 7:30-9:00 to limit traffic

- **Summer Camp Payment Policy:**
 - This summer, we are only allowing full weeks of full days (no half days/ partial weeks). Because of this and the limited space, your card on file will be charged for no less than the full week amount on the Monday TWO WEEKS prior to save your spot. We have a waiting list for each week this summer. If you are not planning on coming the weeks previously communicated, let us know ASAP to avoid being charged.

- **Field Trips:**
 - With so many businesses remaining closed and others restricting any group activities, we are finding it difficult to schedule field trips. We are continuing to check options and hope to schedule at least a few throughout the summer. If opportunities arise we will communicate the details. In the meantime, we will be walking to Bushmaster Park every Tuesday so we can have more space for socially distanced activities. Wear comfortable shoes those days! We will be providing sunscreen, but if your child has allergies or sensitivities to sunscreen, please communicate this and provide your own sunscreen.
 - In spite of, the restrictions required this summer we are planning lots of fun and creative activities related to our themes! Our motto this year is FUN AND FLEXIBLE!
