HOCKEY LESSONS

Randy Jordan: 847-285-5501 or rjordan@heparks.org

Programs designed to maximize development and love for the game. Three of our programs are 2x a week compared to most others being 1x. This added value of more ice time for longer provides the determined player faster learning of all the skills required to play team hockey.

Payment plan available for 2x week programs.

LEVEL 1: Jr Wolf Pack Starter Skating Program

For players that have never skated or are very new to skating.

Skating ability is the key to enjoying hockey for life. This program is ideal for brand new skaters or those with limited experience. It focuses on the 7 key elements of skating that make the other 4 major skills (stick handling, passing, shooting and safe checking) Our unique SUMO System of skating development gives students the very best chance to progress to skill development with sticks and then to playing team hockey. Getting it right from the beginning is very important. Players are required to wear at least a bike helmet.

LEVEL 2: Wolf Pack Hockey Skills Development

For players that have graduated from Level 1. Full equipment hockey skill training.

This renowned program continues the mastering of the Sumo system of the 7 elements of skating and now applies those to hockey's four other major skills: Stick-handling, passing, shooting and gaining possession of the puck- safe checking. The main focus is to prepare players to play full ice Coyote, Wolf Pack and Wolverines competitive team hockey. Players are recommended to supply helmet with face-mask and stick. Equipment is available to borrow up to certain sizes.
Note: Players must have attended and graduated from the Junior Wolf Pack Starter Skating Program or similar before participating in this training with sticks.
