Review Minutes: Jeff motion to approve, 2nd Jordan.

New Business:

[Member] Association member with older and younger kids, recalls when UND skaters would come to practice. Seems like some of the fun at the younger ages is getting lost. Hot chocolate day, high schoolers coming, etc.

Some coaches are not helpful, telling kids they need to learn to play hockey and not suck.

Jamborees or other things happening during in-season games. Northwood doing 3v3? Is it sanctioned? GF jerseys should not be worn...
