Every Spring it takes a lot of effort to ready Thornton Park to host our season of practices and games! Our Fields and Facilities Committee Volunteers kicked-off field clean-up activities this past weekend. As with every year, we will be asking for assistance from all of our families to help get the field ready to welcome our teams. We will be scheduling team volunteers to come down on **Sunday June 13th and Saturday June 19th so please mark these dates on your calendars.** We will also be providing opportunities to donate field supplies in addition to, or in place of, volunteer time. Specific times, event details, and sign-ups are being finalized for a future communication.
