

GEAR RENTAL AGREEMENT

Rental gear is being requested for use by the youth player (“participant”) currently being registered. As the parent/guardian(s) (“renter”) requesting rental gear from the Walker Youth Hockey Association (“WYHA”), it is understood that the rental period is the same time frame of the 2023-24 WYHA hockey season. The complete set of the rental gear consists of the following protective equipment: helmet, chest pad, pair of elbow pads, pair of gloves, pants, and a pair of shin guards but can be rented upon specific need as well (not full set). Skates, equipment bag and sticks may be provided based on the availability of properly sized equipment. **The cost to rent gear from the WYHA for the season is \$25 with a max of \$50 per family. Checks will be collected before equipment is provided. Scholarships are available for those unable to fulfill the \$25 rental fee. Please reach out to Nate Gustafson for scholarship opportunities.**

By accepting gear, renter understands and agrees as follows:

1. That renter will inspect gear before accepting it and notify WYHA, in a timely manner, of any excessive wear or defect (including but not limited to stains, tears, rips, missing rivets or buckles.);
2. That gear is sized for and only worn by participant;
3. That gear will be used only for participation in ice hockey or related on-ice activity, or as otherwise deemed appropriate by participants coach(es);
4. That renter will hold WYHA and its successors and assigns harmless and free of liability for any personal injury or property damage sustained by participant while using gear;
5. That gear will be maintained in good condition, except for reasonable wear and tear;
6. That gear is to be returned to WYHA at the end of the season in clean and workable condition;
7. That renter will pay replacement cost for gear, or any portion of gear not returned at the end of the season.

Replacement cost is as follows:

- Helmet \$25.00
- Breezers \$15.00
- Elbow Pads \$10.00
- Shin Guards \$10.00
- Chest Protector \$15.00
- Skates \$25.00
- Gloves \$10.00
- Stick \$25.00

Providing rental gear is an additional service that WYHA offers in an effort to assist families who do not wish to purchase gear at this time. Upon return of gear by renter at the end of the season, WYHA will, in good-faith manner, determine the condition of the gear, including whether or not excessive wear has occurred. Renter understands that to participate in WYHA, participant will require equipment in addition to gear- including, but not limited to ice hockey skates, hockey stick, hockey jersey, hockey socks, mouth guard, garter belt or jock/Jane, pelvic protector and neck guard. WYHA provides new hockey socks to each new player, and for mini/mites provides a loaner jersey for use during the season; hockey sticks are available for mini/mites for loan on first-come, first-served basis. WYHA is not acting as a representative of any hockey equipment manufacturer or retailer and does not claim to possess any expertise or information (above and beyond the average consumer of hockey gear) relative to the condition or fitness of any gear it offers for rent.

By signing this form I agree to the terms and conditions set for in this contract. I understand that I will be responsible and billed for the cost to replace any items broken or not returned at the end of the season. Please circle gear that was rented and will need to be returned at the end of the season:

Helmet	Chest protector	
Elbow pads	Gloves	Pants
Shin guard	Skates	

Hockey Players and their families will be responsible for laundering and cleaning all gear that is returned.
