Game Play

Player Participation: Equal playing time for ALL players, and they must play an entire half inning. No player shall sit out two innings before all others sit out once, and so on. Players must sit an entire half inning. It is mandatory for every player to play a minimum of one (1) half inning in the infield (8u the rover is not considered an infield position for purposes of this rule). All players present must be in the lineup and bat.

Substitutions: At least 8 players required to start a game. For known shorthanded games (not late arrivals) - teams may borrow a 9th player from another registered team, and this player

may only play outfield, and bat last in the batting order. All field positions must be filled if you have 9 or 10 (8U) players present who are willing and able to play.

Injury / Illness: Players may be removed from the field or batting lineup and will not be penalized. Player may re-enter the game without penalty.

Late and/or Exiting Players: Insert at the end of the batting order, without penalty. Leaving the game early results in no penalty and the player is scratched from the lineup.

Courtesy Runner: **6u/8u/10u:** Permitted for injured players only. The last player put out will serve as courtesy runner, and there is no penalty. **12u/14u:** Permitted for pitcher, catcher and injured players only. The last player put out will serve as courtesy runner. There is no penalty for an injured player.

Batter Safety: If a pitcher hits 3 batters in the same inning, the pitcher must be removed from that position for that inning only. If she hits 4 total batters in the same game, she must be removed from pitching for the remainder of that game. Coaches may agree to waive this if comparable pitchers are developing, especially in 8U.

Game Forfeitures: If a team cannot play a game, PYSA UIC & opposing team must be notified by phone and email. Umpires will be paid in full for all games. In this case, the team responsible for the forfeiture will pay the Umpire \$75.00.

Schedule is to be kept accurate in Tourney Machine, therefore PYSA UIC must be notified if there are any changes to the schedule.
