Someone you would like to thank for helping you with your basketball career, and why:

I would like to thank Angie Meister. She was my traveling basketball coach growing up. There are so many fun memories during the traveling years that I will never forget.

Favorite JM basketball memory:

Sophomore year beating Owatonna. We had to work hard as a team to win. There was a huge celebration in the locker room after the game.

What will you miss the most about JM basketball:

What I will miss the most is all the jokes and fun memories that were made. Being so close with everyone, we spent lots of time together – we were like family.

Advice for future JM basketball players:

Work your hardest and if coach says practice is optional, it isn't.

Plans after high school:

Attend Viterbo University with a major in Nursing.
