

WEST FARGO HOCKEY ASSOCIATION

Board of Directors Candidate Application

Name of Candidate:

Trista Koziol

Level of Player(s):

14U

Position you are interested in:

Director of marketing and communications

Qualifications/What makes you a good fit for this position:

Hockey has always been the sport of choice for my kids. Our family has embraced hockey and everything that goes with it. We have enjoyed every minute of it for the past 12 years (2 years in the Fargo Youth Association and 10 years in the West Fargo Hockey Association). Over those years I have been active in fundraising, team management, tournament committee and whatever else I was called upon to help with.

My educational background is in public relations and economics. I have worked with business owners to develop marketing campaigns, budgets, and branding; seeing them through with advertisers of all mediums within our community. My other experience is in HR, contracts, accounting and customer service.

I firmly believe the basis of any good organization is clear, honest and timely communication.

Thank you for your consideration
