**Time: 9:00 - 10:30am**  
**Cost: \$225**

Fundamentals can be fun. Teel's Mini slugger program knows how make that happen. Your mini slugger will learn baseball's basics the right way, have a great time in a supervised environment and even make some great friends.

With patience, enthusiasm and baseball acumen an instructor will teach the foundation of the game to your child. By using proven techniques, games and effective drills we provide a basis for the coming years of tee-ball, rec-ball and even travel ball.

Some of the basics include:

- Catching; using “softies” and yarn balls to ensure safety, your mini slugger will learn to catch grounders, line drives and fly balls.
- Hitting; with easy instructions and kid safe equipment you'd be surprised how quickly a young player can improve their swing.
- Base running and sliding; these slugger favorites cover all facets of your speedster's running game.
- Positions and bases; Keeping things simple is important. We make sure your mini slugger is familiar with every position and base on the field.

Our Mini Slugger program excels by keeping things enjoyable and accessible for our young students. There is never a dull moment or time for daydreaming. The exciting baseball packed hour is sure to have your boy or girl looking forward to all week.
