FROM THE EXECUTIVE DIRECTOR

Dear Valued Vendor,

Again in 2018 we had a very successful clinic. We are fortunate to continue to have a full vendor area for our coaches. In fact, we unfortunately could not find space for some of the vendors who ended up on our waiting list. I encourage you to reserve your spot early. Year after year our members look forward to seeing “what’s new” and being able to visit with you. You are an integral part of the clinic and are truly valued by the Association and our members.

We have long been recognized as the largest “Football Only” Coaching Clinic in the Nation! I expect that to continue. We are putting together an exciting lineup for the March 28, 29 and 30, 2019 clinic. Thursday will feature Wisconsin’s Head Coach, Paul Chryst and his staff. Friday night will feature another outstanding headliner!

We will not be using the large speaker room on Saturday morning, so the large vendor exhibit area will not be open on Saturday. Very few vendors remained “open” on Saturday morning in previous clinics. Therefore, the Clinic Committee decided to allow vendors to break down on Friday night after 9:00 pm, if they so desire. If you have any other suggestions as to how we can better serve you, please email Charna at office@wifca.org.

Thank you,
Dan Brunner
