OUR MISSION...

"Accept The Risk of Leadership!"

JTQB camps are for quarterbacks grades 7-12, and receivers (advanced camps only) grades 10-12. We are an intense, hands on, teaching camp with attention to detail for the serious athlete, ready to take their game to the next level. We combine time-tested technique with 2023 skill sets for today's game.

With emphasis on character and leadership development, we're committed to supporting you not only in your development on the field, but off it as well. Camp features maximum quality repetition, all run game/pass game skill sets, video analysis, classroom breakdowns, and 1 on 1 attention to detail.
