Varsity Overview

Tonight brings an end to not only a special season, but also a special career to 7 close knit, special seniors. We will celebrate outstanding efforts, not only by our wrestlers, but also our stat girls, coaches, parents and fans. It was a tough loss on Tuesday, Feb. 25th to end our season. But by no means does that define how great our group was, and the tradition they helped carry on. "Winning" is sometimes taken for granted, but it's well understood that in Edwardsville Wrestling, our group is going to train as hard as anybody else to reach our goals.

So let's reflect on our awesome season, and remember the "*Journey*" that took place. Not only did we win our 9th straight conference and regional championships, but we sent a record setting (since 3a system) 7 individuals to the State Tournament. Two State Finalists, including our 2nd ever State Champion in school history rounded out our historical "*Journey*". Lloyd Reynolds took for all purposes the hardest path all year to a State Final appearance, and Luke Odom simply overcame any obstacles, simply dominating all season long to his State Championship.

But the "*Journey*" definitely went past all of the individual performances, as the team reached 27 wins, and was runner – up at the Fox Dual Team Tournament. Team wise we once again had a great showing at Dvorak with a 5th place finish, a respectable 12th at "Cheesehead", and ran away from all teams winning the Hickman Championship. This years' team was dominated by its seniors, especially in the upper weights. This group of seniors registered 228 wins season, which is simply going to be hard to replace. This group was not only "**LOCKED IN**", but may have bonded together more than any other group, and it was a joy to be around them. They were unselfish and caring for each other, and made a hard practice – bearable – out of the respect of their teammates. I believe many lifelong friendships were made in the past 4 years, and unforgettable memories were made – both on and off the mat. I undoubtably respect the commitment this group has made to carry on tradition, and can't even imagine all the great things that these young men are going to accomplish in their futures.

So with the loss of so many seniors, next year could obviously see a drop in team performance. I believe not, because a new group of young men are going to take an oath to get better, and I largely look forward to it. This can only be done if a new group truly makes the challenge to be great. I can't guarantee anything, except the benefit you will receive from attempting the challenge. Simple words to say – hard work and determination – but not always easy to follow. Many opportunities to improve are provided for you, but you have to take the step. That step starts now. If you are not in another sport, get involved in "Quest Wrestling", right here on the Edwardsville Campus.

Once again – thank you seniors for all you have meant to Edwardsville Wrestling. Coaches – you were outstanding – thanks for helping these wrestlers. Stat girls, such an awesome job and commitment to helping this program – thank you. Parents, thanks for understanding us during good times and bad. Thanks for supporting your son, and helping them meet the demands that wrestling brings. To the Booster Club and Weight Class Sponsors, we couldn't have our success without your help – thank you so much for your generosity of time, and money. Lastly, thanks to all of you who have helped Edwardsville Wrestling be what we are today. Looking forward to next season. ***Tiger Style – LOCKED IN.***

Junior Varsity Overview

The junior varsity team had another outstanding season. Working with this group of young men was truly my pleasure. The graduation of six starters and many changing weight classes next season should be all the motivation they need to have a great off-season. Committing to our off-season weight/wrestling program should allow them the opportunity to take the next step in accomplishing their wrestling goals and our programs continued success.

This year's team had a dual meet record of 15-1, a very impressive season for a team that consisted of many underclassmen. The JV team outscored their opponents this season 937 to 267 in dual meets with four shutouts. The team also competed in three tournaments: Metamora Tournament (3rd Place), Quincy Notre Dame Tournament (6th Place) and the Southwest Conference JV Tournament (2nd Place).

At the Metamora and Quincy Notre Dame Tournaments the boys competed hard against varsity starters from other good programs. This is always a great experience for our kids as they get a taste of what it takes to be successful both individually and as a team at the next level. The team placed in 10 out of 13 weight classes that we filled for the Metamora Tournament and brought home a 3rd Place finish. The Quincy Tournament turned out to be even more competitive for the team with the late addition of Lemont High School (2A Team State Champions). We had many of our wrestlers run into topnotch kid's right out of the gates at this tourney. The team competed extremely hard in the wrestle back rounds and were able to place individually in 9 out of 12 weight classes we filled that day and brought home a 6th Place **TEAM** finish in the 16 team invite.

The team finished the season with a great showing at the annual Southwest Conference J.V. Tournament going 3-0 in pool play beating Collinsville 2 (57-10), Alton (45-27), O'Fallon (42-27). Winning our pool put the team in position to face a very good Collinsville 1 team for the title. The team put up an amazing fight only to lose their first dual of the season and having to settle for 2nd Place. What a great experience for the team that consisted of mostly freshman on this day.

I would like to thank the parents of all the wrestlers for supporting their sons this season, without your support it would be very difficult to be the team and program we are today. I appreciate the time you allow us to spend with your children and helping you mold them into great young men/woman of character on and off the mat.

I would also like to thank the senior wrestlers and managers for their hard work, dedication, and passion for the program the past four year. It really means a lot to me and the rest of the coaching staff that have had a hand in helping you develop in this great sport over your careers. I would also like to thank the parents of the seniors for always being there for your sons/daughters. Lastly, I would like to thank all of the coaches in the Edwardsville Wrestling Program for allowing me to be part of this great **TEAM**

2019-2020 Freshmen Wrestling Season Overview

The freshman had another outstanding year for the Tiger Wrestling Program. The tigers had an overall 8-2 dual meet record. Unfortunately, due to circumstances out of our control, we did not get to compete in as many dual meets this year in part because of the weather not cooperating. We were able to get the freshman so more competition at the JV level though, which the guys did a great job with. This is a very talented group and it could be an exciting next 3 years with these athletes in our program.

Our season had many highlights including another conference championship at the freshman level. We also took 1st place at the O'Fallon Freshman Tournament where we won by a convincing margin. Our freshman also competed in JV and Frosh-Soph events where they excelled even against more seasoned competition. One of the biggest events we are able to attend is the Glenbard North Dual Team tournament. We took 3rd place losing to the eventual champ in a dual that came down to the final match. Besides the victories, a highlight for the team, especially the coaching staff, was how hard this group trained. This group of freshman Tigers were very dedicated, and came to practice every day with a very workman like attitude and were very coachable. No doubt that the work ethic and willingness to be coached translated into a very successful season!

We would like to thank the parents for getting the guys to meets and practices, and helping the program with various other activities. You were a great help this year and we appreciate all you have done for your kids and the wrestling program. If it was not for you than we could not have as much fun as we did this year. It takes very dedicated parents for wrestlers to excel, and all the accomplishments on the mat can also be attributed to you.

We would like to thank the coaching staff for making this another great year. We hope the parents and wrestlers realize how lucky they are to have dedicated coaches like this in our program. The coaches put their heart and soul into making this one of the top programs in the state while doing things the right way in the process.

As in any sport, you have to have dedication, a great work ethic, and toughness to become great. All of these things are achievable, but you have to block out the distractions. This is a very tough sport that many people choose not to compete in because of the heart and desire it takes to succeed. I have a tremendous amount of respect for each of our guys who come out every day and put the time and effort in making this one of the most successful programs around! Remember, you can talk about how much you want to be great, how tough you are, and how hard you work. All that talk means nothing without giving great effort every day in class, great effort in every practice, and great effort in every match.

Sincerely,

Coach Followell

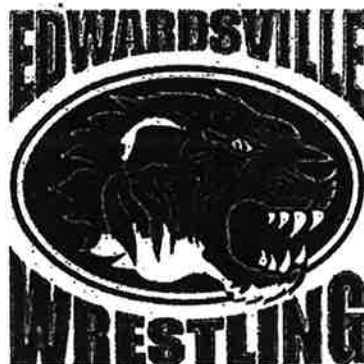

Coach Heinz
