Any player who has played the position of catcher in four (4) or more innings in a game is not eligible to pitch on that calendar day. One pitch caught equals one inning caught. Any player who has played the position of catcher for three (3) innings or less, moves to the position of pitcher and delivers 21 pitches or more (31 pitches for age 15-16) may not return to the catcher position on that calendar day.

See Rulebook page 44, Regulation VI for full details and exceptions. List the home team's catchers starting at the top in the table to the left; list the visiting team's catchers starting at the bottom of the table.

The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.
