ROOKIE TACKLE RULES OF PLAY

2025 SEASON

PREFACE

The intent of this program is to gradually introduce tackle football to former flag and first year players. The success of this program will rest largely with how coaches work together to establish best match up's, how the coaches spend time on player development with "ALL" players, and how coaches keep this fun. Our intent is for kids to fall in love with the game so they will want to continue in the future. Please take this into consideration when you are working with your team this year.

The Tualatin Valley Youth Football League (TVYFL) follows the USA Football Rookie Tackle 7 Player Rules unless specified in this document. Rules set forth in this document take precedence in cases when USA Football and TVYFL rules differ. Consider these rules as a subset of the TVYFL Senior Tackle Rules of Play. Therefore, it is recommended that the TVYFL Senior Tackle Rules of Play are reviewed in addition to these rules. NFHS Rules > TVYFL Senior Tackle Rules > USA Football Rookie Tackle Rules > TVYFL Rookie Tackle Rules

The members of the Tualatin Valley Youth Football League resolve that the following rules and regulations have been adopted by a majority vote of the Board of Directors and ratified by a majority vote of the TVYFL Membership.

All Titles of the TVYFL may only be amended by a majority vote of the Board of Directors and a majority vote of all members at a duly noticed meeting of the league. These Titles are binding on all members of the TVYFL and by committing to membership in the TVYFL, all members accept all bylaws, rules, regulations, and Titles as adopted without recourse.

It is recommended that the player’s parents be notified before being listed as ineligible.
 - c. Plays must be from the line of scrimmage.
 - d. All players shall be provided their mandatory plays by participation in active plays, without the intent to minimize the action or integrity of the plays. Plays such as, but not limited to, having the center snap the ball to the quarterback and fall to the ground, while substitutes are playing the other positions, shall **NOT** be considered as active plays. Taking a knee is not an active play.
 - e. Enforcement of the Minimum Play Rule is by a team or Member filing a grievance that during a game a team did not follow the rule. An investigation by the Division Co-President will take place, including review of the Play Count Sheet, video evidence, and parent and player accounts. ROOKIE TACKLE RULES OF PLAY

2025 SEASON

- e. There are no two-point defensive safeties. All tackles behind the 40-yard line result in a loss of down, but the offense retains the ball, and the ball is re-spotted at the 40-yard line to preserve the Administrative Zone.
- f. Forfeit: offended team wins 1-0

SCORE ISSUES

- 5. Any 3rd/4th grade team ahead of their opponent by more than twenty-eight (28) points, at any time during a game, is in violation.

 - b. The initial offense will be decided by a coin flip.
 - c. Each team is allowed one time out per series of downs.
 - d. Play begins at the ten (10) yard line and continues until the first team on offense either scores or turns the ball over on downs. The ball is then turned over to the other team, placed at the ten (10) yard line, and continues until their series of downs has taken place.
 - e. Each team only gets one possession, which has no time limit.
 - f. If after the completion of both offensive series in the modified Kansas plan, the score is tied, the game remains tied.

TITLE 4: ROUND ROBIN FORMAT

| BALL SIZE | TD | PAT (KICK) | PAT (RUN) | SAFETY | FG |
|-----------|-----|------------|-----------|--------|-----|
| JUNIOR | N/A | N/A | N/A | N/A | N/A |

| QUARTERS | HALFTIME | BETWEEN GAMES | SPECIAL TEAMS | MAX SCORE DIFF | BALL CARRIER |
|----------|----------|---------------|---------------|----------------|--------------|
| 12 MINS | 5 MINS | 10 MINS | N/A | N/A | 105 lbs. |

1. Weigh ins will take place 30 minutes before game start time.
2. Format will mirror 3 team play in game scenario. Prior to start of game, coaches from three teams will determine which teams will play first. Those teams will play one quarter. Then teams will rotate. Teams playing in consecutive quarters should insure they are playing the wave of players who were not playing at the end of their first match-up. See below:
 - a. Team 1 vs Team 2 (1 quarter)
 - b. Team 1 vs Team 3 (1 quarter) (team 1 should start with players that were not playing at end of round 1 to insure equal playing time.
 - c. Team 2 vs Team 3 (1 quarter) (team 3 should start with players that were not playing at end of round 2 to insure equal playing time.
 - d. Repeat round 1 (team 1 vs team 2)
 - e. Repeat round 2 (team 1 vs team 3)
 - f. Repeat round 3 (team 2 vs team 3)
 - g. Continue until 1 hour and 45-minute time limit has been reached (unless coaches agree that the above is enough, which would be 3 full quarters for each team).
3. Depending on how efficient teams are rotating in and out of these change overs, each team should get a full game, or close to it. There needs to be a hard cut-off of 1 hour and 45 minutes time limit on round robin games. This allows the next game to start on time and for the officials to get a brief break in between games.
4. There will be no half times during this format as teams will play the equivalent of no more than 1 consecutive half and will get a break at that time.
5. NOTE: For round robin format only, R/T quarters will be 12-minute running time, versus 15-minute running time. Same criteria for clock stoppage to be used. (Time outs, injured player and change of possession).
