**Welcome** In Attendance: Kristi Johnson, Megan Reppen, Matt Royer, Jeremy Pearson, John Crawford, John Kukowski, Amber Krotzer, Kerri Stephens, Tyrone Schmidt

**Approval of Meeting Minutes** Motion to approve February minutes made by Matt. Seconded by Tyrone. Approved.

### Open Forum

### Approval of Financial Reports

- 1st and 2nd Grade Boys Year End Recap - Ran smoothly, families seemed engaged and happy, we will make sure we have the rules readily available all season for coaches to help each other and the kids. In the future, keep coaches on the court for the tournament as well as the referees, bring our tournament banner for pictures and awards.
- 3rd Grade Boys and Girls Skills Day Recap - Ran smoothly, well attended, trophies were fun!
- Season Year End - State tournament: MYAS seeding process was successful for most teams. Discussion on team splits - very difficult for lower teams to compete. Need to brainstorm on our philosophies for the future for team splits or options for “house” league for lower level teams. Kristi will touch base with Elk River to see if we have the option for joining their house league and discuss these options at the next meeting.
- Coach Year End - Coach dinner at ZBG, gift certificates, photos handed out.
- Summer Camps - TBD because of construction - Kristi will find out gym availability
- Summer Minute Madness - Megan will take care of this, ready to send out by May 15th.
- Wild West Days - Not participating
- Clothing / Uniforms - Kerri is communicating with Jellyfish Graphics for new uniforms and will find out cost and get samples.

### Director’s Reports (as required):

President - Kristi will send surveys out for parent year end feedback

Treasurer - Amber submitting taxes

5th-8th Grade - John would like to step down from the 5th-8th grade director position and focus on Vice President role running camps, etc.

Uniform/Apparel - Discussion on coach apparel - possibly make it an option for coaches but not given to everyone or a coupon code for coaches to get a Zimmerman basketball shirt from the fan apparel site.

Equipment - We need to clean out the storage unit and organize so we can have a better system for storage and supply ordering. Set up time to clean out. Coaches feedback - people want a sticky board for shoes, better cones, and medical supplies.

Fundraising/Sponsorship- Tyrone is highlighting our sponsors on social media.

Website/Communications - Tyrone is going to delete our "X" account due to low followers.

High School - Girls Booster Club is interested in doing "team of the game" next year and would like to share cost with ZYBA for tickets. We will discuss closer to the season. Interest in collaborating with middle school ball in the future - more discussion needed. Kristi is in discussions with the high school AD about improvements to the gyms.

**Adjournment 8:40**

**Next Board Meeting:** April 27, 2025 7:00PM at Livonia Township Hall
