Fall 2020

Dear Cavalier Nation,

On behalf of the Lake Travis Independent School District Board of Trustees, administration, and staff, it is my pleasure to welcome you to Cavalier Stadium and the 2020 season of Lake Travis Football.

Without a doubt, these are different times. As a parent of two students enrolled in our Lake Travis schools, I too share the frustration, stress and uncertainty created by the pandemic and its impact on our programs district wide. It has taught us to expect change, to be flexible, and to adapt. But it has also challenged us to think out of the box, to be innovative, and to do things differently as we resume the amazing tradition that is Lake Travis Football.

I join Lake Travis ISD Athletic Director/Lake Travis High School Head Football Coach Hank Carter and his incredible staff in the excitement of getting back on the field and the starting the journey towards another state championship. However, rest assured we will continue to prioritize the health and safety of our student athletes, now more than ever. It is a responsibility we do not take lightly.

To our Lake Travis fans in attendance at Cavalier Stadium and to those watching remotely, we thank you for your continued support of the outstanding programs represented at tonight’s game. We also thank our associations, boosters, business partners, sponsors, and volunteers for their investment in our students.

Tonight, our students will play, march, dance, and cheer under a different set of Friday night lights. When you have an opportunity, please take a moment to encourage our students and thank their coaches, sponsors, and directors who work so hard to proudly represent Lake Travis High School. Together, we will succeed. We are “BuiLT Different.”

I share with you my hope, optimism, and excitement for the year ahead.

Go Cavs,

Paul Norton
Superintendent of Schools

Mr. Gordon Butler is beginning his fifth year as principal of Lake Travis High School and his 19th year in education. Mr. Butler earned a Bachelor of Arts degree in Journalism/Public Relations from the University of Texas at Arlington, a Master of Science degree in Educational Administration from Texas A&M Commerce and is pursuing a doctorate in Education Administration from the University of Texas at Austin. He and his wife Kati have two children, Hannah (10) and David (7). In his spare time, he enjoys watching college football, not eating queso, and working on his nonexistent golf game.

There is something special about the natural order of things when Friday Night Lights is included. Our spirit groups have been hard at work preparing to cheer on the Cavaliers as they march towards another state title. I think I am echoing the sentiment heard around our community by saying we are so thankful to begin our season, given the current circumstances. Enjoy celebrating our band, drill team, cheerleaders, student trainers, student managers, and our team. Thank you for making Friday Night Lights special at LTHS.

Coach Henry Carter (Hank) came to Lake Travis from Stephenville HS in the spring of 2008 as Defensive Coordinator. He and then head coach Chad Morris worked together for 10 years at multiple stops before Carter took over as head coach of the Cavaliers in January of 2010. Coach Carter also coached at Bay City and Eustace early in his career.

Coach Carter has been part of 5 of the 6 State Championships that the Cavaliers have achieved since 2007. Serving as head for 3 of them (2010, 2011, 2016). Coach Carter’s overall record as head coach is 129-17. Since taking over the reigns as head coach, Carter’s teams have reached the State Semi-Finals or further 10 out of 12 seasons (including 5 state championship appearances).

The 2020 season will be Carter’s 13th year with the program, 11th as head coach and eighth as Athletic Director/Head Coach.

Coach Carter is married to his wife, Stacy, of 15 years. They are the proud parents of two children, Jason (10) & Madison (9).

2018 Home Builders Association Custom Builder of the Year, Arbogast Homes is a boutique custom homebuilder committed to absolute client satisfaction. Accepting only a limited number of clients per year, Tod Arbogast insists on being personally involved in every home he builds. Exquisite craftsmanship, attention to detail and building with integrity are cornerstones of his company. With well, over a decade in residential construction as well as a valuable background in commercial construction, Tod and his team deliver superior quality and outstanding service every time.

BUILDING EXCELLENCE IN CENTRAL TEXAS FOR MORE THAN A DECADE

SEASONED CUSTOM HOMEOWNERS ARE FANS Since we moved to Austin in 1992, we have completed four new homes. The previous three were not bad experiences and we were aware of the negatives of building a new home. Our current home was built by Tod Arbogast, and we are, and will always be, great fans and advocates of this supreme, high end custom home builder. From the transition with our architect, meetings with the Home Owners Association, to planning and scheduling targets, the process was seamless. The most important mention I had for Tod on our initial meeting, was to not have many, if any, surprises. We asked for immediate updates during the timeline, as changes and revisions do and will happen. To his commitment of constant quality control, and his team’s immediate communication with my wife and I, it was a pleasure to have them create our vision from a house project to our Home. —The Loerchs

Our heartfelt thank you to the Lake Travis High School Football Coaches and Staff!

They guide, educate, motivate, inspire, raise and love our kids. They do it selflessly everyday - not for fame or fortune - they do it because they love the kids and the game. We have been so blessed to have the LT coaches guide Judge to be a man of courage and faith. He, like so many others, will take these life skills to make a difference in this world.

With our deepest gratitude,
The Carlisle Family
