Política de reembolso de SYC Spring 2020

Después de una discusión cuidadosa y prolongada entre la Junta Directiva y nuestro deporte de primavera comisionados, estamos brindando a todas las familias que se han registrado para los deportes de primavera de SYC siguientes tres opciones (excepciones de Travel Soccer, Travel Volleyball y High School Rugby anotado abajo):

1) Puede elegir que su registro de primavera de 2020 se aplique a un deporte SYC de

otoño de 2020. Si su deporte no tiene una temporada de otoño, puede aplicarlo a la próxima temporada disponible para ese deporte. A modo de ejemplo, el lacrosse no tiene una temporada de otoño 2020, por lo que podría elegir llevar el crédito de registro de la primavera de 2020 al siguiente lacrosse disponible temporada - primavera de 2021 - o aplique el crédito a un deporte de otoño diferente en 2020.

2) Puede optar por recibir un reembolso de 2/3 de su tarifa de inscripción para la primavera de 2020. SYC ha incurrido en costos, tanto en términos de costos generales y administrativos como de deportes específicos costos que no podemos recuperar, lo que hace imposible un reembolso completo. Los uniformes no son reembolsables. La distribución uniforme y las compras de ropa de espíritu se abordarán en un lugar separado. Email.

3) Como algunas de nuestras familias miembros ya lo han hecho generosamente, puede optar por donar su registro de deportes de primavera para el club. Al igual que con cualquier otra donación hecha a SYC, usted se le proporcionará documentación de su donación adecuada para fines de declaración de impuestos según sea aplicable a usted.

Comunique su solicitud antes del 1 de mayo de 2020.

TRANSFERENCIAS

- Para transferir su registro de primavera a la temporada de otoño, envíe un correo electrónico a admin@sycva.com y escribe TRANSFERIR en la línea de asunto antes del 1 de mayo.

REEMBOLSOS:

- Para solicitar un reembolso de 2/3 de la tarifa de registro de primavera, haga clic aquí o visite sycva.com y en "Contáctenos", haga clic en "Solicitud de reembolso / devolución" para utilizar el formulario de solicitud de reembolso antes de 1 de mayo

DONAR

- Para donar su cuota de inscripción de primavera, envíe un correo electrónico a donation@sycva.com antes del 1 de mayo.

Si no ha completado su plan de pago actual, deberá pagarlo COMPLETO antes del 1 de junio para estar activo durante la temporada de otoño.

SOLICITUDES NO SERÁN TOMADAS POR TELÉFONO.

TODAS LAS SOLICITUDES DEBEN SER PRESENTADAS COMO SE INDICA ANTERIORMENTE AL APROPIADO CORREO ELECTRÓNICO Y O FORMULARIO DE SOLICITUD DE REEMBOLSO EN LÍNEA.

Patti Sabbahi responderá preguntas para nuestras familias de habla hispana durante el horario comercial normal al (703) 339-5108.

The office staff is hard at work processing family requests for spring registrations. For those families who have requested a refund, please note that refunds are taking up to 12 business days to process due to the backlog within the financial system. Families who had used volunteer credits toward their spring registration will have their credits reinstated.

Families who registered for spring soccer camps and football clinics will be issued a full refund for those registrations. We are NOT refunding for summer programs at this time - they are on hold. In addition, spring registrations cannot be transferred to summer

programs due to the uncertainty of whether or not these programs will be permitted to be held.

Thank you to everyone for your patience and understanding.

Helping Children Cope With Changes Resulting From COVID-19

Families across the country are adapting to the evolving changes in daily life caused by the COVID-19 pandemic. Most schools, places of public gathering, and nonessential businesses are closed, and parents and other caregivers are faced with helping their families adjust to the new normal. This includes trying to keep children occupied, feeling safe, and attempting to keep up with schoolwork as best as possible. None of this easy, but it helps to stay focused on what is possible in order to reinforce a sense of control and to reassure children that they are okay, and that the situation will get better.
