Board Meeting Minutes

November 20, 2020

Attendees: via Zoom

Guests: N/A

President: Eric Cotton

GM: James Soesbee

- Lights at the complex are fixed so we have much better lighting hoping the city will adjust the parking lot lights as they are on a timer that the city controls
- Talking with Oscar about an online store
- Photographer used a different system this year and it appears to be working better at last count 2k-3k higher in sales
- Need to get the bidding process going on the new tractor so we can get ordered beginning of January to be sure we have it for spring.
- Wright's Tractor is looking to do some sponsorship so we should entertain a bid from them as we could possibly get at discount
- Eric and James were scheduled to go to Citizens Nov. 21
- 3v3 goals we have 32-ish we will need 40 goals based on the number of teams we had last year which was 85-90
- We will use 7v7 goals for 5v5
- We need to get registration going early so we can get an idea of how many registered teams and order more goals if needed
- We will schedule around regionals/nationals in June

Assistant GM: Gary Boreham
