The Dublin High School Hockey Association (DHSHA) is a non-profit 501c3 organization run by parents in the Dublin, OH, school district community to provide financial and other support the five high school ice hockey teams in the Dublin City Schools district - junior varsity and varsity teams at Dublin Jerome HS and Dublin Coffman HS, as well as the club team at Dublin Scioto HS. Monthly meetings are held year-round and new officers and trustees are elected every spring.

DHSHA sponsors all conditioning and training sessions from June through October and pays for all ice time, as well as the coaching, during these months. The association also pays for all ice time, uniforms, referees, and apparel during the season, as well as the Do It For Daron (DIFD) Mental Health Awareness Night, the Adam Allgeyer Memorial Tournament each December, Senior Nights, and team banquets. DHSHA conducts a number of fundraisers throughout the year to cover all its programs and expenses.

The Association's goals are: (1) to provide a positive high school hockey and academic experience for Dublin City School District students, (2) for its ice hockey programs to be competitive statewide, and (3) for its players and parents to be ambassadors for the District and the game of hockey.

GO CELTS!

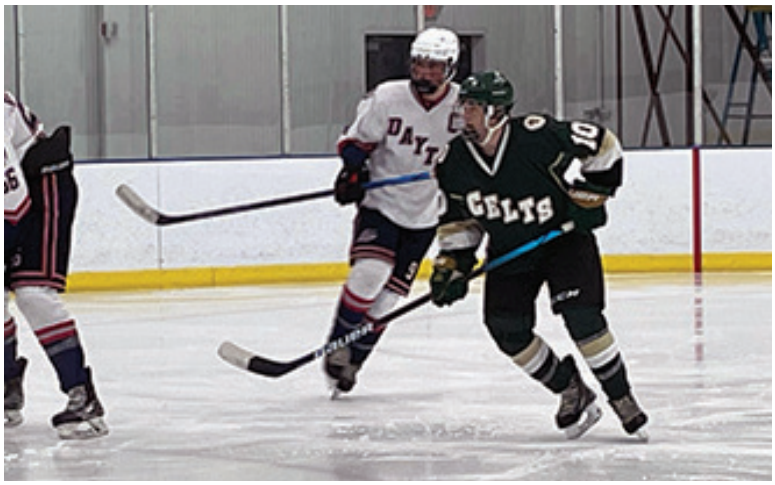
DUBLIN JEROME NEW LOGO

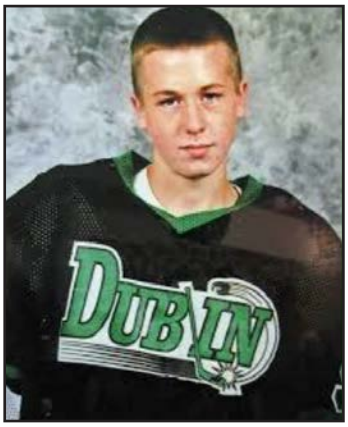
We are excited to announce a refresh of our Celtic Warrior logo. The goal is to enhance brand recognition within the school and Dublin community. Our new Celtic Warrior offers a modern and sleek option along with our Celtic Knot and DJ.

Sean McCarthy, a 2006 alum of Jerome worked with our team to create a unique and modern update.



DIFD is about inspiring conversations - raising awareness - transforming youth mental health

Daron Richardson and her family lived in Upper Arlington while Luke Richardson was a defenseman (and one-time captain) of the Columbus Blue Jackets. The Richardsons quickly became part of the local community, and Daron joined the CCYHA youth hockey program. While playing on the CCYHA Blue Jackets travel team she had several team mates who were members of the Dublin Jerome and Dublin Coffman High School hockey teams. Daron committed suicide in November 2010, at age 14. Her close friends and family started the DIFD Foundation to honor her memory and to raise awareness about suicide prevention and youth depression—hoping that their message would inspire people affected and saving their lives rather than keeping it to themselves and ending their lives. The Dublin Jerome Celtics are holding a DIFD Tournament December 3-5 to honor the DIFD cause.



Adam Allgeyer Scholarship

Adam Allgeyer lost his life in a car accident when he was a junior at Dublin Coffman High School. Following the death of their son, the Allgeyer family encouraged supporters to make donations in Adam's name to the Dublin High School Hockey Association (DHSHA). With these contributions,
DHSHA established an Allgeyer Fund. One of the purposes of the Fund is to provide finanacial assistance scholarships to families that may not be able to afford the annual cost of ice hockey. Consideration is given to any player or parent who makes a request in writing, by telephone or by email.
