## CONSTRUCTION IS UNDERWAY

Construction has begun to take shape! The old VAHS locker rooms are gone and steel is being erected this month. If you can't find parking for the next couple of months, please know that progress is being made.

Even though we started construction we still need financial donations to help fund the second rink project. We have raised \$6 million of our \$8 million target. If you have not donated yet, please consider helping us reach our goal any way you can!
