# Coach Riffie Letter

Dear Worthington Kilbourne Lacrosse Family,

What an amazing year we have had. For me personally, it will be one that I will never forget as it is the last season I will serve as a head coach. After 37 years of coaching thousands of student-athletes, it is time to relax a little bit and hand over the bulk of the coaching responsibilities to our amazing coaching staff. I have been truly blessed to have both coached these men as players and nurtured and mentored them as coaches. I reflect on something that the famous football coach Amos Alonzo Stagg said after a reporter congratulated him on a great season and complimented him with, "You did a great job!" To which Coach Stagg replied, "I won't know how good a job I did for 20 years. That's when I'll see how my boys turned out." Fortunately, I don't have to wait for 20 years because these coaches make me proud of them every day, every practice and every game. I am privileged to witness how they consistently work hard, sacrifice and care for our players. I step down from my interim head coaching duties with a full heart and completely trusting that our young men are in great hands.

To our seniors. I hope that you have learned as much about life from me as I have from you. You are a wonderful group of men. Strive always to make a difference in the lives of others. Smile. Have fun. Read (a lot)! Take time to appreciate all that life has to offer. Time passes much too quickly so slow down and enjoy the ride. Never forget your Kilbourne lacrosse family and the bonds you have formed with your lacrosse brothers. Thank you for your hard work and winning attitudes. I look forward to watching you grow as you move on to your next great journey and having you join us on the sidelines again. I will miss you.

To our underclassmen. You have much to do in preparation for next season, which has already begun. Work hard over the summer. Play other sports or participate in other activities. Enjoy your family. I look forward to being there with you as we begin the 2020 season!

To our parents. Thank you for your great support this season and always. I hope your boys have thanked you, too. You spend countless hours and dollars to make this program one that we can all be greatly proud of. None of this is possible without you!

To my children. You make me happy and proud to be your father. And to Conner and Charlie Kate...you are my sunshine.

To my wife. Thank you for loving and supporting me through 37 years of game day faces, late (or no) dinners together, schedule changes, for being there through rain, sleet, heat or snow and for celebrating our victories with me and meeting me with open arms and comfort when we lose. You are my rock. I love you!

Thanks to all for helping to make our Worthington Kilbourne lacrosse family such a positive experience for all who have called themselves Wolves!

Go Wolves!  
Coach Riffie

The best way to find yourself is to lose yourself in the service of others.

*Mahatma Gandhi*

The Worthington Kilbourne men's lacrosse program takes seriously its dedication to community service. In 2007, recognizing what a great privilege it is to play lacrosse in Worthington, the WKHS Parents' Club founded the "Man Up" program to provide opportunities for the team and players to give back to the community. Man Up is regarded as one of the longest standing and most active high school team community service programs in Worthington.

## Summary Of Activities 2018-2019
