

Richmond Kickers Health Check

All players and coaches must perform a temperature check and conduct a health screening prior to attending any Kickers related events or activities.

The **temperature check and health screening** can be performed by parents of minors and may be reinforced by a coach or staff member to look for signs of infection.

1. **Temperature Check** – all players, staff, or family members with a temperature of 100.4 or greater are prohibited from attending any event.

2. **Health Screening** – The following are to be asked by a parent of a minor prior to attending any Richmond Kickers activities or events:

- Is your current temperature 100.4F or greater?
- Have you been diagnosed with COVID-19 within the last fourteen (14) days?
- Have you exhibited any signs or symptoms of COVID-19 in the last fourteen (14) days?
- Have you been in close contact (within 6 feet for at least 15 minutes) of anyone that has been diagnosed with or has symptoms of COVID-19 in the last fourteen (14) days?

If the answer to any of the above questions is “yes,” you are not allowed to attend the Kickers event or activity and you must follow the Return to Play Protocols.
