

Johnson Recreation Play Up/Play Down Policy

1. Children are allowed to “play up” in a sport if numbers are needed to create a team. Players moving up will need the recommendation of their coach, the coach of the team moving up to and the child’s guardians. The final decision to move a child up will be made by the Recreation Committee.
2. No participant will be allowed to “play down” in any age division unless otherwise approved by the Recreation Committee. “Playing down” is defined as someone too old for the age division. This will depend on the rules of the specific sport or current grade.

***Children may only practice with their assigned team.
