- The order of age groups for each level shall be determined by a random draw for session and rotation. A Committee member, other than the MD, must be present for the draw. (6-14-13)
- Age Groups shall be created by dividing the number of gymnasts in a session into equal groups by birthdates (CHA, CHB, CHC, etc.)

- The Committee recommends that no more than 25 be placed in an age group, preferably 20.
- The rotation order shall be created by a random draw for starting event and for the order in each rotation. Teams should not be grouped alphabetically. (6-6-10)
- If a club has 2 squads in a session, place the starting events in the same flight, skipping competition or. (ie. VT and BB in the same flight)

- The NC USA Gymnastics State Committee augments the State Meet Award Guidelines from USA Gym in the following way:
* Award medals to 1/2 of the placements (1/2 + 1 when an odd number of gymnasts). Follow USA Gym guidelines and extend with NC medals to the 1/2 number of placements.
