3rd Place & Championship are 10 minutes longer for trophy and medal presentations

# TORNADO ADVANCED MITE TOURNAMENT - GOLD BRACKET

# TORNADO ADVANCED MITE TOURNAMENT - SILVER BRACKET

# Red/Advanced Mite Tournament Format & Rules

- Referees will be in charge of the games as on-ice officials and coaches will be on the bench
- Each team will be guaranteed 3 pool play games and at least 2 bracket play games with the possibility of 3 bracket play games
- The round robin pool play results from Saturday will determine the bracket play for Sunday. The top 8 teams will go into the gold bracket and the bottom 8 teams will go into the silver bracket
- There are 4 pools of 4 teams and the results will be decided by the following:
  - 2 points for a win
  - 1 point for a tie
  - 0 points for a loss
  - Tie Breaker in order:
    - Head to Head
    - Goal Differential (capped at 7 per game)
    - Goals For
    - Goals Against
    - Coin Toss
- Each game will be 30 minutes with a running clock (4 minute warm up, 2-12 minute periods, 1 minute in between games, and 1 minute handshake/transition)
  - The 3<sup>rd</sup> Place & Championship games for both brackets will be 10 minutes longer for trophy and medal presentations
- Each game will be 3/4 ice, 4v4 with goalies, intermediate nets, and teams will switch sides on the ice after the first period (this will replace the need to skate in front or behind the net for line changes)
- Horn will sound every 1:30 (minute and a half) to signal for line changes
- There *will* be a faceoff to start each period and following ALL goals
- There *will not* be stoppages for icing, offsides, penalties, etc. (though significant misconduct will be addressed as needed)
- Time *will* stop in the event of an injury
- Whistle will be blown when goalies cover the puck to signal the offensive team to retreat back to half ice though time will not be stopped nor a faceoff conducted (no goal will be counted if a goal is scored after the whistle is blown)
- New pucks or thrown pucks will not be permitted during the games unless the puck leaves the playing surface as determined by the referees (i.e. goes over the 3/4 ice barrier)
- Pool play games may end in a tie though all bracket play games cannot end in a tie. Tied games on Sunday will be decided as follows:

- **1 minute rest at the end of the game before overtime begins**
- **3-minute run-time sudden-death 3v3 overtime period**
- **If the score remains ties at the end of 1 overtime period, a shootout will be next**
- **Each team will choose 3 different players who will each have 1 shot on goal. The team who scores the most goals in the shootout will win**
- **If at the end of the shootout the game is still tied, teams will go one player at a time until a winner is determined. Teams must use different players each time unless the team runs out of players.**
- **No timeouts will be given during pool play games on Saturday though a 1-minute timeout will be allowed per team in bracket play games on Sunday as needed**
- **With games being 3/4 ice, each game will have full use of the scoreboard and announcing provided by TYH volunteers**
- **Locker room assignments are posted in the lobby and on the locker room doors. This is a 16-team tournament and as a result, we will need to have shared spaces**
- **Teams should arrive 45 minutes prior to their scheduled game and coaches or team managers/mite coordinators are asked to check-in at the information table upon arrival**
- **Game results will be posted in the lobby and at the information table as they happen. Team managers/mite coordinators will be provided updates throughout the weekend. Results will also be posted online at the end of the day**

**If you have ANY questions or concerns throughout the weekend, please contact our Mite Coordinator, Chelsea Goldblatt, at 612-590-0292 or [chelseagoldblatt@gmail.com](mailto:chelseagoldblatt@gmail.com)**
