

PHOTO/VIDEO/NAME RELEASE FORM

I hereby grant permission to *Bismarck Hockey Boosters* to use the name, photographs and/or video of my child, _____, taken throughout the 2018-2019 hockey season on Bismarck Hockey Boosters' website, Facebook page, newsletters and in other communications related to Bismarck Hockey Boosters.

Bismarck Hockey Boosters is often asked to send a team photo to any tournaments that we are participating in. If I do not give permission for my child to be included on any photo to be used for tournament purposes, I understand I will be required to inform our team manager at the start of the season so she can make arrangements to have a team photo taken that does not include my child in the photo. If I fail to do this, I have expressly given permission for my child to be included on the team photo that is distributed to any tournaments.

Bismarck Parks and Recreation takes an All Team Photo every year, which is a city-wide photo of all kids participating in hockey. This photo is often displayed on Bismarck Hockey Boosters' website and is also displayed at VFW Sports Center. I understand that if I do not want my child's photo to be taken at the All Team Photo, it is my decision and I will not have my child participate in the All Team Photo. If my child participates in the All Team Photo, I am giving express permission for others to use, distribute, and display the All Team Photo, which would include my child's photo.
