Coaches and Board Members with children with volunteer requirements

- By default the board will make more than the required amount of volunteer hours, they are asked to ice monitor when all other options are exhausted for fulfillment of ice times. Although it is not necessary, they may choose to ice monitor and that is at their discretion.
- Coaches are in the same category as the board. They will also be asked to ice monitor when all other options are exhausted for fulfillment of ice times when they are not scheduled to coach.

**Maximum volunteer hours required per family – 35 hours*
