**Team 5-3** has had an outstanding season! We started off losing our first two games but we have responded by going (9-2) since and (9-4) overall. The team is so good at defense and wants the ball at all costs! Each and every game we have had a change to win because of their defense. We are all working hard to score more points and if we add scoring to our work on defense, we will be unstoppable! We look forward to the 2nd half of the season!

## IMPORTANT HEGGIES UPDATE

We were sadly informed, due to supply chain issues, Heggie's can **no longer offer their BREAKFAST PIZZA**. Please cross that off your form and make sure you don't sell them. If we receive orders for Breakfast Pizzas, they will be replaced by Deluxe Combos. If you need a new order form, they are found on the WGBA web site [here](#).
