

NIGHT RUN

KRAICHGAU • GERMANY

Our second edition of the NightRun is coming up! After the great premiere in 2023, we would like to open the triathlon weekend in Kraichgau with you again. We welcome the night with an atmospheric, summery evening run. Once again, we would like to call on all runners in all performance and age groups, as well as all sports enthusiasts in the region, to take on the challenges of our NightRun course. **NEW:** This year we are also presenting a run for young runners. Children in the years from 6-11 can let off steam on a shorter course from 6.00 pm.

The NightRun will take place on **Friday, 24 May 2024 at 19:30.**

The Kids NightRun will take place on **Friday, 24 May 2024 at 18:00.**

Our DJ will provide the right atmosphere before the start and after the run you can end the evening in a cosy atmosphere with live music. All participants will receive a NightRun shirt and drinks and fruit will be waiting in the finish area in addition to the well-earned NightRun medal. We will also honour the fastest participants on stage.

The NightRun Kraichgau focuses on the shared experience, which is why it's best not to come alone, because in addition to our **individual** classification, a **3-person relay** classification is also possible. Together with two other people, you can form a relay team and compete in the men, women and mixed categories.

IMPORTANT: You or a legal guardian must agree to the liability waiver electronically when registering. This applies to both online registration and late registrations on site. You can read it [here](#) in advance.
