The St. Cloud Figure Skating Club is the most advanced skating club in Central Minnesota. SCFSC was incorporated under the laws of the State of Minnesota in 1973, accepted into membership by the United States Figure Skating Association in 1976. Our main goal is to promote the advancement of figure skating in Central Minnesota. We seek to develop each skater's interest and potential within an environment of support, and with the highest standards of leadership, professionalism and good sportsmanship.

CLASS OF 2022

CATHEDRAL

I am a senior at Cathedral High School. I will be attending the University of Minnesota-Duluth where I plan to major in Graphic Design. I have been on the ice since I was 6 years old and love spending my time at the rink! I have passed my Intermediate Freeskate and Novice Moves in the Field tests. Besides skating, I love spending time with my family, creating art, and hanging out with friends.

I would like to thank my coaches Kris Moran and Theresa Fleege for pushing me to better myself both on and off the ice. Their support means the world to me and their influence will continue to help me grow in the future. Along with my coaches, I am extremely grateful for my mom, who has put in hours of volunteering and endless support towards my skating.

I am so grateful for the friends I have made in this club and hope to continue watching all of them grow into even better skaters and people. I will miss the club and skating with my friends but I'm so happy to have made such amazing memories here.

FAVORITE QUOTE

Talent is a pursued interest. Anything that you're willing to practice, you can do.

Senior SPOTLIGHT

FAVORITE MOVE, SPIN OR JUMP

My favorite spin is camel spin.

FAVORITE SKATING MEMORY

My favorite Skating memory is competing in Team Compulsory with Annika, Tia, and Charlotte

ADVICE TO YOUNGER SKATERS

My advice for younger skaters is to express yourself on the ice and work hard to achieve your goals!

FAVORITE QUOTE

"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."
- Pele

I am a senior at New London - Spicer High School and have been skating since I was four years old: starting at Diamond Edge Figure Skating Club and moving to St. Cloud Figure Skating Club when I was eight. I am a U.S. Figure Skating double Gold Medalist having passed both my Senior Moves in the Field and Senior Solo Free Dance tests. I am currently working on my Gold Dances and Intermediate Free Skate. I was fortunate to be a member of the 2021-2022 Northernnettes Novice Synchronized Skating team which placed 9th at the US Championships. Finally, I was awarded Platinum level distinction by US Figure Skating for my collective skating accomplishments. I have also found joy coaching in both the DEFSC & SCFSC Learn to Skate programs.

I have had the pleasure of being coached by Alexa Evenson and Theresa Fleege both when I first started at SCFSC and for the last three years. They both have had a huge impact on my life and I'll be forever grateful for their encouragement. I have also been coached by Debbie Warn-Jacobson, Sam Kaplun, Ari Lieb, Dianna Klatt, Lori Stuart, Jamie Burns, and Debbie Timm. Alana Christie, Jillian Christie, and Hailey Voss were my Northernnettes synchronized skating team coaches this past year. All of these coaches have helped me become the skater and person I am today.

When I'm not skating, I am involved in Student Council, National Honor Society, Math League and Trap Shooting. Next year, I plan to attend University of Notre Dame and major in Business Analytics and International Economics. I also hope to continue skating with the goal of passing my International Dances and to continue with Synchronized Skating.

I am incredibly grateful to my mom who spent years driving me the 2 hour round trip from my home and the rink. My mom has also been my biggest supporter and encouraged me to be my best. My dad has also been very important to me, reminding me to enjoy every moment.

Figure Skating has been a huge part of my life, and it has taught me so many lessons that I would not have otherwise learned. The most important one to me has been learning to find joy in every practice, not only moments of success. I'm excited to see what adventures the future will bring!

Senior SPOTLIGHT

FAVORITE MOVE, SPIN OR JUMP

Choctaws

FAVORITE SKATING MEMORY

When I stepped on the ice for my first Northernnettes synchronized skating competition.

ADVICE TO YOUNGER SKATERS

I would tell young skaters to try ice dance and synchronized skating because they can be really fun options for skaters.

CLASS OF 2022

I am a senior at Tech High School. I have been skating since I was 6 years old, and I have lettered all throughout high school. When I am not skating, I enjoy being on the lake and spending time with my friends. I will be attending St. Thomas University in the fall and majoring in business.

I am grateful for the amazing coaches who have guided me through my years at the rink. I am especially grateful for Kris Moran, who is my current primary coach, for being one of my biggest supporters and a constant positive influence.

I am also grateful for my family and their support. My parents, Kim and Dustin, have provided unwavering encouragement and have invested countless cold hours at the rink. My grandparents have been at every competition I can remember. I will miss seeing their smiles in the crowd as I perform!

Some of my greatest friendships and memories have been formed through the club. I genuinely love all of the girls I skate with, and I will miss everyone! I am excited for the future and to stop back at the rink to check in on the younger skaters!

2022 VOLUNTEER OF THE YEAR GENE THEISEN AWARD

Patti Clymer

It is our honor to celebrate this year's Gene Theisen Volunteer of the Year Award recipient, Patti Clymer.

Patti has been a dedicated volunteer of the St. Cloud Figure Skating Club for over twelve years. Her involvement with the club began when her daughter Kayli, now a Junior in High School, started figure skating in the first grade. She currently serves as the President of the St. Cloud Figure Skating Club.

In her many years of volunteering, Patti has quietly and consistently been a force of good, person-by-person. She has dedicated her time and talents to countless events including Granite City Classic, Learn to Skate competitions and the annual ice show. Patti goes above and beyond to ensure the success of these events while lifting the spirits of our skaters and other volunteers. Her commitment is consistent, dependable and her kind words are noticed by all.

Patti's natural networking and warm demeanor has been an invaluable asset to the Club. As a teacher for the St. Cloud School District for over 33 years, she brings a skater-centered approach moving forward the Club's mission to develop athleticism in a supportive environment. Patti is married to Josh and has three daughters, Ashly, Karissa and Kayli.
