Andover Huskies: Leading the Pack!

Welcome High School Hockey Fans!

It is with great excitement that I welcome you to the 2022-2023 season of high school hockey. I am excited to serve as principal in a community that is committed to excellence in everything that we do. We know that involvement in activities outside the classroom builds character, teamwork, physical fitness, and resiliency. During these challenging times, these qualities are more important than ever and will help ensure success in all aspects of life.

Thank you for your continued support of our student-athletes as they represent our school with pride. We are excited to see what this season and school year brings for the Andover community.

Go Huskies!

First off – CONGRATULATIONS TO THE STATE CHAMPION ANDOVER HUSKIES!!! Wow, what a season we enjoyed last year! Many believe that some of the games we watched last year were among the most exciting ever played in the State of MN!

Welcome to Andover High School, the Andover Community Center and the start of the 2022-23 Boys' Hockey Season!

We are very excited for the promise that the new season brings!

The Huskies have enjoyed a lot of success over the past few seasons and these young men have worked hard and are eager to compete in this year's league. The Northwest Suburban Conference (NWSC) and Section 7AA are some of the most competitive in the state and we are anticipating another intense season with many tough games yet to be played.

As a reminder, the NWSC is continuing a conference-wide Sportsmanship Program. Our fans, coaches, and athletes will each be evaluated on their level of sportsmanship all season long. These results will be tabulated and comparisons between sports and schools will be made. Sportsmanship is important to us. Our student-athletes and coaches are dedicated to the continued display of sportsmanship at our school.

So, sit back and enjoy a pleasant evening in the arena. Let's be great fans and positively support our players and the game itself!

Thank You, *Eric Lehtola*

My name is Lisa Jenson and I am the Certified Athletic Trainer at Andover High School. I am employed by Twin Cities Orthopedics. I am looking forward to my 2nd year as Andover's Athletic Trainer although I have lived in the community for 16 years. I received my bachelor's degree in athletic training from South Dakota State University in 1998.

My husband Jeff and I enjoy watching our 2 sons participate in Husky athletics. Brady is a sophomore this year at Andover and Dylan is a 5th grader at Rum River Elementary.

In my little spare time outside of sporting events I enjoy reading and spending time at the lake! I am excited to be part of another successful Husky year!

Breakaway - No opponent between the puck carrier and the opposition's goal except the goalie.

Comers - Four curved areas of the hockey rink where a great deal of action takes place.

Crease - The semi-circle in front of the net, approximately four by eight foot in size. A goal is not allowed if any offensive player is within the goal crease.

Extra Attacker - The player that comes off the bench when a team pulls the goalie.

Neutral Zone - The central ice area between the defending and attacking zones enclosed by the two blue lines.

Point - A position just inside the opposition's blue line, close to the boards on either side of the rink, usually manned by defensemen when their team is in control of the puck in the opposition's zone.

Face-Off - To start the play at any time, the puck is dropped between two opposing players facing each other. Time starts when the puck is dropped.

Flip Pass - Pass the puck to a teammate by raising it a few inches off the ice and over the blade of the opponent's stick which may be in the way of the pass.

Forecheck - Hustling in the opponent's defensive zone by the forwards who want to keep the puck there and hopefully take it away.
