2023 TRAFFIC IMPACT

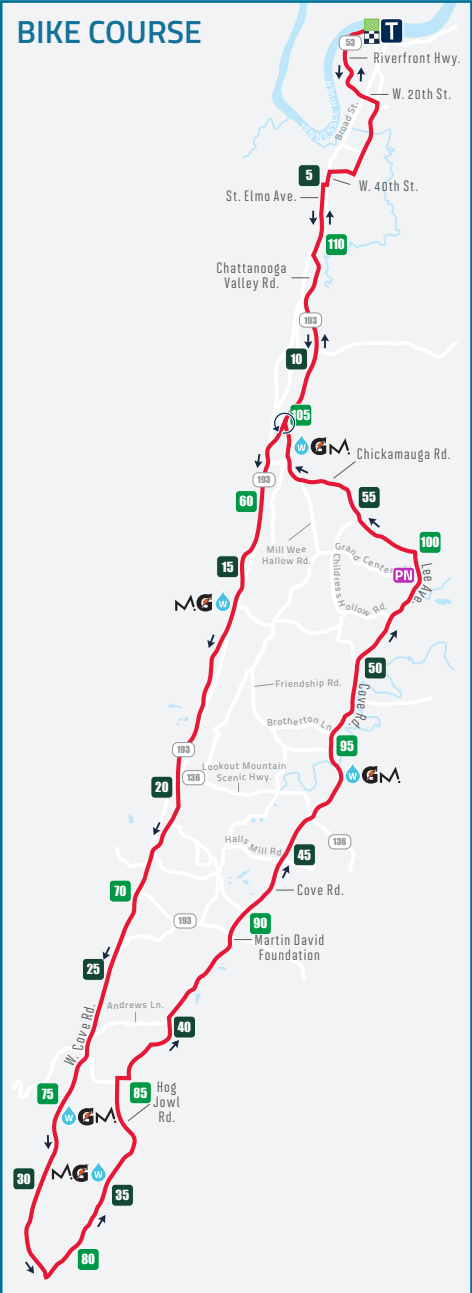

SEPTEMBER 24, 2023

Dear Residents,

We would like to thank you in advance for your display of hospitality during the 2023 IRONMAN Chattanooga. On Sunday, September 24, more than 2,500 athletes will be visiting the Chattanooga area and Walker County to test their physical and mental limits. Over the course of 17 hours, they will be racing throughout your community as they complete a 2.4-mile swim, 116-mile bike and 26.2-mile run in succession. We ask for your cooperation and understanding on race day as you travel around these areas. The routes were chosen to highlight the various areas that fully showcase the unique setting of the Chattanooga and North Georgia. We appreciate your support and ask that you proceed with caution, utilize detour routes provided, and allow for additional travel time to your destination. Participants count on you for motivation on race day, so bring your friends and cheer them on! We look forward to a great event and hope to see you out there!
