The raffle tickets can be sold for \$10 each. Players and families are encouraged to sell the tickets and keep the money. There are some great prizes like a car and skates, etc! The raffle is usually held in February.

League games, tournaments, scrimmages

U10 and U12B play league games against teams in MN Hockey District 11; Two Harbors, Cloquet, Hermantown, Moose Lake, Silver Bay, Superior. These games are usually on weeknights at local arenas. U12A and U15A are in district 11 and play Hermantown in league games.

Each team will need volunteers to run home game clock, scorebook, and penalty boxes. Be ready to volunteer for these games!

St. Luke's Icebreaker Tournament January 14-16, 2022.

Each Icebreaker team is registered for our own St Luke's Icebreaker Tournament in January and may register for a few additional tournaments and schedule occasional scrimmages. This is the only fundraiser for Duluth Girls Hockey so we require all player's families to volunteer 3-4 shifts during this tournament. A volunteer link will be sent out in the next month or two. We require a \$200 volunteer check that will be held and not cashed unless the volunteer requirement is not met. This check will need to be received in order for each player to be assigned a jersey.

Duluth Girls Hockey Skills Nights

Icebreakers holds skills nights each week. All Icebreakers are expected to attend these skills nights; it is considered a required practice. All girls registered with the DAHA rinks are invited to attend these skills nights with us. These skills nights have been a great success and well received! We are still working on scheduling these for this season. The skills sessions are usually scheduled for Monday nights at 5:30-6:30 for Icebreaker U10 and DAHA rink Mite/Squirt girls, and 6:30-7:30 for Icebreaker U12/U15 and DAHA PeeWee/Bantam girls. Watch for info on these sessions coming soon!

COVID-19 information—DAHA's COVID-19 contact is Eva Pearce 218-213-8844. Duluth Girls Hockey COVID-19 contact is Ali Randall 952-465-1909. Each team will need a COVID-19 contact who will work with Ali and Eva in the event of positive tests on the team.

Please review the DAHA COVID-19 resources page for more information about COVID-19 protocols and procedures for each arena. We have helpful COVID-19 MN Department of Health documents for review on the DAHA and Duluth Girls Hockey websites:

<https://www.duluthhockey.com/covid>

<https://www.duluthgirlshockey.org/page/show/6018743-covid-19-information>

Jersey/volunteer deposit

Duluth Girls Hockey requires a \$100 jersey deposit and a \$200 volunteer deposit check before each player can receive their jersey. If a family has multiple players, each player will need the \$100 jersey deposit check, and one \$200 volunteer deposit check will cover all players. These checks will be held and not cashed unless the jersey is not returned and/or the Icebreakers tournament volunteer requirement is not fulfilled. Watch for team jersey distribution information. We will need to get jerseys assigned to the older teams right after tryouts are complete.

Team Managers

Each team will need a couple managers to help the coaches with team schedule and communication (we will be using SportsEngine app because it syncs with our website calendar), coordinate locker room monitors, track team budget, and coordinate game volunteers for clock, book, and penalty boxes. Team managers will need to register for USA Hockey (free for managers), complete a background check and safe sport training. The fees for the background check will be reimbursed by team assessments.

Duluth Amateur Hockey Association schedules a managers meeting at the beginning of the season. Icebreakers will also have a managers meeting for Icebreakers managers. Many of us experienced managers are here to help! It is fun to be a team manager and be more involved!

Team Assessments and payment options

Each team will have monthly assessments to cover indoor ice and misc. team and coach expenses, in addition to the registration amounts.

Estimated assessments per player for the season. This estimate is based on average assessments over the last couple years.

U10-\$125 per month for an estimated total of \$500-\$600 for the season.

U12A-\$375 per month for an estimated total of \$1500 for the season.

U12B- \$300 per month for an estimated total of \$1200 for the season.

U15A or B- \$375 per month for an estimated total of \$1500 for the season.

See attached Duluth Girls Hockey Assessments Payment Options 2020-2021.

If you have any questions please contact any of the Duluth Girls Hockey board members.

Have a fun season!
