

Kristina Borgen

My name is Kristina Borgen and I am excited for the opportunity to serve on the Marauders Board. I am a Mahtomedi resident with three daughters who have been very active in the Mahtomedi Hockey Association. Berit is a 5th grader, attending O.H. Anderson. Coco is a 3rd grader, also at O.H., and Sydney, the baby of the family, is a Kindergartener at Wildwood Elementary. All three girls started skating at an early age and have played organized hockey since the age of 4! The girls are also active in the Mahtomedi Fastpitch community.

I grew up in the Blaine area and have been involved in organized sports for a very long time. I started playing hockey at the age of 7 (before they had all girl teams). I played Varsity Hockey at Blaine High School in grades 7-12. Throughout my High School career, I was named All-State from 2001-2004 and recognized as a Top 10 finalist for Ms. Hockey in 2004. I am also the program's all-time leading scorer. In addition to hockey, I was a Varsity Fastpitch Softball player, where I was named All-Conference, All-Metro and Honorable Mention All-State. I was a team captain in both sports for multiple years. After High School, I continued my hockey career playing Division I at Minnesota State University, Mankato, where I sit top 10 all-time in scoring, goals and assists, as well as being named to the WCHA all academic team from 2005-2008.

Since my playing days have ended, I have continued to be involved in youth sports through volunteering. I have managed numerous 8U and 10U hockey teams, most recently managing both 10UA and 10UB1 teams this past season. I have also coached, helping as an assistant and also head coaching the 6U girls' team since 2022. In addition to hockey, I have been a head/assistant coach for Mahtomedi Fastpitch teams. I truly love the game of hockey and enjoy helping other young athletes find their passion for the game.

In terms of my education and professional experience, I graduated Minnesota State, Mankato with a Bachelor of Science Degree. I continued my education at Hamline Mitchell School of Law where I graduated with a Juris Doctor. I am currently an attorney in the Saint Paul area where I prosecute crimes for numerous cities in Dakota, Ramsey, and Washington County. I believe that the skills that I use daily in my professional career will be an asset to the board.

I am very passionate about athletics, and girls/women in sports in particular. I strongly believe in complete player development; meaning developing the players as not only competitive athletes, but strong charactered individuals. I am very excited for the opportunity to be on the Marauders Board and hope to continue to impact the game of hockey in a positive and meaningful way.
