NEWS AND SPECIAL EVENTS

PLAYING SMART

As we all navigate our way through these difficult times, many parents are eager to provide their children with a safe physical outlet away from home (and the computer!). SYC understands your concerns. Unfortunately some of our fall sports could not overcome the obstacles related to the current restrictions and as a result, we had to cancel their fall season. However, we are working hard to provide as many fall sports programs to our families as possible. It will require some creativity and adjusted expectations!

Please review program changes before making your registration payment next week. We

hope to start accepting payments, Monday, August 10th.

The following are sport specific "Return to Play" (R2P) guidelines:

The following sports R2P guidelines are coming soon:

The following programs are cancelled for Fall 2020:

- Flag Football
- Tackle Football
- UP Soccer

In addition to our individual sports changes for return to play, SYC also has club wide guidelines related to return to play. Be sure to also read these guidelines!
