Dear Sponsor,

The Bill Bond League of Pensacola was established in 1967 to provide competitive youth baseball for the City of Pensacola. We are expecting 2023 to be another full season of baseball with what has already proven to be record-breaking registration numbers. We cannot wait to see all the players on the fields and friends and family in the stands!

Our league is self-supported by player registration fees and fundraising efforts of many volunteers who raise funds through team sponsorships. Bill Bond operates as a charitable, not for profit corporation pursuant to the provisions of Chapter 617 of the Florida Statutes and is further recognized as tax exempt under the provisions of Section 501(c) of the Internal Revenue Code. Upon payment of a sponsorship opportunity, you will be provided with a receipt with Bill Bond's tax ID for your charitable donation documentation.

I am enclosing the current sponsorship opportunities for New Sponsors and Returning Sponsors. These funds are used to outfit players in uniforms, pay for umpires and scoring officials, assist players who may not otherwise be able to play baseball, and for the overall operation and improvement of the park.

We could not survive without the generous donations from local businesses in our community. You enable us to continue to provide the highest quality program in this area. If you would like to sponsor please fill out the enclosed form and email it to me at [ldelamare314@me.com](mailto:ldelamare314@me.com) along with the logo and/or design for your sign. An invoice will then be sent to you so you can pay by check or via paypal. If you have any questions, please contact me by email or at the phone number below.

Sincerely,

/s/ [Lindsey DeLaMare](#)
