

About Redwood City Girls Softball League (RCGSL)

Girls of any ability are welcome, and the main purpose is to teach/learn the great game of softball and to have fun. Divisions are provided for recreational teams, intended for beginner to accomplished players, and also more competitive travel teams, intended for girls with above-average ability and experience and/or players interested in a more challenging and competitive environment.

Why Sponsor RCGSL?

Your sponsorship helps create a high-quality softball experience for local girls ages 4–14. Thanks to the generosity of our sponsors, RCGSL can continue to provide a fun, safe, and memorable program that teaches teamwork, confidence, and a love for the game.

By partnering with RCGSL, your business gains positive exposure and goodwill throughout the community. Sponsors are recognized on coach shirts and league materials—offering thousands of impressions and demonstrating your company's commitment to supporting youth sports and local families.

Your contribution directly impacts our players and facilities. Sponsorships help keep registration fees affordable, provide scholarships for underserved families, and fund essential field and equipment upgrades. From new balls to safer dugouts and well-maintained fields, your support helps every player enjoy a great season.

Join us in making a lasting difference for our community's young athletes—your support truly makes it possible. We appreciate those who have sponsored us in the past and always welcome new partnerships!

RCGSL is a registered 501(c)(3) not-for-profit organization, and donations are tax-deductible. Tax ID: 20-5930665
