

Valley Thunder 16U Girls Comp Team

Valley Thunder Girls Comp team
Hosted by MAHA
PO Box 871880
Wasilla, AK 99687

We would like to invite you to be a sponsor of “The Valley Co-Op 16U Girls Comp Hockey Team” for the 2018/2019 season.

The 2017/2018 season was a huge success for the girls. The girls competed very well while in Anchorage, Fairbanks, Detroit and San Jose. They won first place in the Termination Dust tournament in October!

The benevolence of businesses such as yours, contributing to the extra-curricular youth activities and sports, within the community shape the heart of the community. The Youth of today are the Leaders of tomorrow. Studies have shown that athletic success is synonymous with academic success.

As you can imagine, the cost associated with this type of activity is considerable and to ease some of the financial burden for our players and their families, we are seeking sponsors to help offset costs. It really does “take a Village” to help these young girls achieve their dreams as well as their goals. Won’t you consider being a part of this incredible journey by making a tax-deductible donation on their behalf.

We would appreciate any amount you feel you could budget for our team’s season. Businesses with sponsorships of \$500.00 or more will be printed on a sign at the Brett Memorial Ice Arena and names will be announced during home games. Thank you very much for your time and consideration.

The Association is a 501c 3 and donations are tax deductible. Tax ID # 92-0060967

Sincerely yours in hockey,

Crystal Beane Team Manager
