ENGRAVED BRICK FUNDRAISER

The Osseo Baseball Booster Club is a non-profit organization that supports the Osseo High School Baseball Programs. These programs include: High School - all levels, VFW, Legion and Town Ball. Our mission is to support Osseo Baseball to enrich player participation and player development. In order to continue this mission, we are embarking on a major-fundraising campaign to take our current Memorial Field and facilities to the next level.

We are calling this campaign: **The Legacy Project.**

The Legacy Project includes new dugouts, new batters-eye, new bleachers, new concessions stand, new press box and restrooms with plumbing.
