

Freedom K-8 Boys and Girls Basketball 2025-26

Freedom Youth Basketball Philosophy

The purpose of Freedom Irish Boys and Girls Basketball is to promote the secondary part of education for Freedom Area School District students. We feel extra curricular activities are important in developing a well-rounded student. We hope to emphasize basketball as an integral part of the educational process. We promote high ideals of good citizenship, sportsmanship and teamwork. The program wants to have good students and good people as well as good basketball players.

Fundraising – Cards

If you sell cards, you will collect and keep any money you are owed from other individuals who purchased from you

All orders will be completed online through the player registration website. You will submit your payment method during the time of registration. After the registration process you will be invoiced a total amount due. You will not pay for the cards, or coffee at the time of registration instead you will receive an electronic invoice after the registration has been completed.

Invoices **MUST BE PAID** by 9/27 (Please remember any registration after 9/2 will also include an additional \$20 late fee), so ideally all orders should be placed by 9/2.

Pickup of Cards

Pickup of Festival Foods cards details:

Families who order cards will be notified at a later date on how to pick-up your items.

The “Buyout”

The Buyout is the amount of money due per player if the player does not sell any cards.

The Buyout can also be added to finalize any order of cards.

A credit of \$10.00 is applied to every player who sells one \$20 card.

Fundraising Option versus “Buyout” registration fee

Example - If you have a 3rd grader, his/her fees are \$15 for HOV and \$15 for tournament team, so \$30.00 total, or \$30.00 worth of credits.

Options for the \$30.00 - A single online transaction of \$30.00, or sell 3 Cards (\$60.00 total, with \$30.00 of credits), or sell 5 Coffee's (\$60.00 – with \$30.00 of credit), or sell any combination equaling a credit of \$30.00.

Online Fee Amount & Invoicing

If you choose the buyout option you will immediately see the fee amount and the online transaction will occur.

If you choose to purchase either coffee or cards, you will select the desired number of cards/coffee. You will then receive an invoice at a later date with the final transaction amount for the registration/coffee/cards.

Parent Workers

Parent Workers

For both HOV/School Teams and Tournament Teams you will be required to help with game day support of youth events

There will be an online signup for all parents to sign up for their own work shift(s).

Generally a shift is around 2.5 hours.

You will be asked to work shift(s) per each child playing basketball

Other towns charge a fee and return the money after all the required shifts have been completed. This takes extra effort, organization and leadership. We are simply expecting that you will do your portion to make all activities a success

Parent Workers Dates

11/8/25, 11/15/25, 12/6/25– HOV league, unknown which teams will be playing in Freedom until about 10 days before the event

1/24/26 and 1/25/26 - Boys

2/7/26 and 2/8/26 - Girls

Thanks in advance for your help and support.

Parent Representatives per grade

Parent Representative per grade

The items below need volunteers and leadership to make a tournament event a success.

Registering players, registering in tournaments, fundraiser activities, filling the Freedom basketball tournament dates, ordering trophies, ordering and picking up concession supplies, filling and removing concession stands items between each tournaments, etc., etc.,

The parents have been wonderful in working each tournament to make the tournament a success. Without concessions and admissions the tournaments are not successful or obtainable.

Thanks for the past and continued help!

Parent Representative per grade

On the player registration link, we are asking/requiring each grade (boys and girls) to have one parent sit on an advisory board to help with organization and details in running a successful tournament(s), as well as a successful season for all players.

We are not asking anyone to “lead the charge”, there will be an informational meeting, followed with tasks for every parent representative.

We do not want this rep to also be the “head” coach of the team. Anyone is able/capable of serving as the parent rep.

PLEASE VOLUNTEER (more than one per grade certainly allowed)!
