

Wow! 2022 has been a year of exciting changes at Verona Ice Arena. Since announcing this project back in December 2021, we have raised over \$5.3 million from over 150 generous contributors. We are so grateful for the outpouring of support from the community of skaters, and we are optimistic that our continued efforts will be rewarded so that we can make this project a reality.

As the year draws to a close, we are excited to announce a special opportunity to double your donation thanks to Wick Buildings. All gifts made by December 31 will be matched up to \$150,000!!

If you haven't given already to our capital campaign, this is a great time to become part of a project that will benefit kids of all ages for years to come. If you have already given, please consider additional support to help us reach our goal. [We hope that families will consider a pledge of \\$2500 \(\\$500 per year\) or \\$1000 \(\\$200 per year\) to meet this matching challenge*](#).

Every contribution, no matter how large or small, is important to the success of this capital campaign, and we are humbled by the generosity and support of everyone who has contributed to this project. I.C.E. Inc. will continue to fundraise and work toward our overall goal in order to secure "Ice For Kids of All Ages" for many years to come.

Thank you again for your generosity and support.
