Dear Community Business,

The Otsego Community Hockey Association (OCHA) is about to kick off another hockey season. We would love for you to be a integral part of our team.

Our mission of OCHA is to provide a fun, safe, and properly supervised atmosphere for hockey instruction that emphasizes skill development. We believe that the boys and girls that participate in our program learn more than just the skills of hockey. The kids learn determination, discipline, sportsmanship, responsibility, and team work.

We are committed to the long term growth and development of all our hockey players. Approximately 65 kids, aged 4-16 years are currently participating in our association. Our players come from Gaylord, Boyne City, Grayling, Lewiston, Elmira, and Johannesburg. The players are on the ice from October through early March.

The ultimate goal of OCHA is provide an opportunity for youth of all backgrounds to participate in and enjoy the sport of HOCKEY.

OCHA looks forward to building a strong partnership with your company. With the cost per hour for ice at \$160.00/hour your sponsorship is key to ensuring hockey is more affordable for our young players. You can sponsor our organization by becoming a "Jersey Sponsorship", or a "Banner Sponsor." We appreciate your consideration and are available for any questions that you may have in the endeavor.
