**Grades 4-9:** While we cannot guarantee team rosters, register by April 15th for consideration of school/neighborhood placement, special requests, and to participate in Grades 6/7 and 8/9 tryouts. If you register after April 15th, placement on a team will be by availability. Registration for Grades 4-9 closes May 6th.

**Grades K-3:** While we cannot guarantee team rosters, please register by May 6th for consideration of school/neighborhood placement and special requests. If you register after May 6th, placement on a team will be by availability. Registration for Grades K-3 closes May 20th.

## COMMISSIONERS

The RYBA website has been updated for grade level commissioners for the 2019 summer baseball season. Please feel free to contact your grade level commissioner with any questions or concerns.

## COACHES

A huge THANK YOU to the parents that have already volunteered to either head coach or assistant coach! We could not have summer baseball without you! That being said, given current registration numbers, we are still short coaches. The more parents we have to volunteer to coach ahead of time, the easier it will be to form teams and start the season on time. Please consider registering to coach your child's team.

**Coaches Clinic:** RYBA is partnering with OMC to hold a FREE Coaches Clinic on Saturday, May 11th from 10:00-11:30 for any volunteer coaches that are interested in learning some drills and how to run a practice. This is open to any grade level. Registration is required and sign up is open - visit OMC's website at:

<https://www.olmmed.org/care-treatment/sports-medicine-athletic-performance/>, click on the "MindBody" link on either the right or left side banners, click the "baseball/softball" tab on the top of the MindBody page to see the "event schedule" and either search by date "05/11/2019" or scroll down to "Youth Baseball Coaches Clinic" to register.
