The Virginian Elite Returns In 2021!

The 45th Virginian kicked off with rainy and cold weather conditions, but that did not dampen the enthusiasm of the players! They fought hard on the pitch to earn their right to a spot in the finals for their division. It was much different than the 90+ degree weather we are used to this time of year. Players, spectators, coaches, and referees alike all endured the weather conditions, bundled up, and celebrated the fact that our event was able to kick-off this year. That was a big celebration all by itself! By Monday the weather was sunny and beautiful, just in time for the 74 championship matches that were played that day.

We had 517 teams in the event seeded in 74 different divisions. We played at 32 different venues with 59 fields all over Fairfax County. There were approximately 8,500 players, 350 coaches, and 234 referees. With 964 games played over the Memorial Day weekend, there was soccer being played on almost every field in Fairfax County.

Despite COVID, we had teams from North Carolina, New York, Pennsylvania, New Jersey, Maryland and Washington, DC. I am thankful that we were able to host our tournament this year.

Congratulations to all the SYC teams below that won championship or finalist awards!
