Hot weather policy: Need to make it clear to the coaches that it is up to them. MYAS has a policy that when the heat index is 104 or over games are cancelled. Parent always have the ability to not send their kids if they think it is unsafe.

COVID signage at the parks can be taken down; Terry will do this

Committee Reports:

Concessions – Anderson –

We have had no one apply for the concession coordinator position. Did not have concessions at the 6U tournament this weekend. We are still having a hard time finding volunteers. We have had many

empty spots we have had to fill with teen workers. Should we open the grills? Maybe roller dogs? But how will these machines get cleaned. We will pay a concession coordinator for the weekend. Pay will be \$50 for Friday, \$100 for Saturday and \$50 for Sunday. They will be responsible for doing an inventory, picking up all food/ for the weekend, stocking the concession stands for the weekend, making sure staff are there and trained in and making sure the stand is properly cleaned. Money over the weekend. Each tournament director is responsible for deciding if there will be concession at their tournament and finding their own tournament director. Chet made a motion to approve weekend temporary concession coordinators and pay and Nate seconded the motion. All approved.

We have gotten good feedback on the IPADS
