

HAWKEYE HOCKEY SERVICES PRESENTS:

OHS BOYS HOCKEY STP SUMMER 2024

Hawkeye Hockey Services are former NCAA Div. I, Div. III coaches; we are former USHL, NAHL, GMs, coaches, and scouts. We are people who are fortunate enough to have great working and personal relationships from Midget AAA to NCAA Div. 1 throughout North America. We are people that the next-level coaches depend on for providing opportunities for their teams and our clients. We do things with integrity and complete transparency. What makes us different from the majority of consultants/advisors is that we are former coaches who have been in the driver's seat in decision-making. We understand the nuances of this business because we have already helped provide countless families with the roadmap to achieve their goals and dreams.
