

CEVA CLUB DIRECTORS' UPDATES – 10/13/2022

- **Safesport training will be offline on October 19 for updates to coursework. Training that is in progress at that time will be reset and users will have to start over. As we approach this date, please ensure you complete your modules. CEVA has no control over this outage. Expected outage time is one day.**
- The CEVA office will be closed on October 20 & 21 while our staff is on the East Coast for an event. We will make every attempt to respond to e-mails during those dates, however we will not be available by phone.
- Get up to speed on some policy changes that will be implemented in the 22-23 season by [reading this article](#) on our website.
- Players who turn 18 during the season, or are already 18, must complete Safesport prior to participation. This is a USAV policy we must enforce. These players should take the [“Junior Player – Safesport Required”](#) Membership.
- Active clubs may complete the [Tryout Information Form](#) once they have their information, and the info you provide will be posted on our [club directory](#).
- Scholarship applications are open [via our website](#). Applications are due November 1.
