

**USA Lacrosse Junior Officials Training (Certification and Re-Certification)
PAGLA 2023 (Central West, South, Tri-County)**

Junior Official Certification is for anyone between the ages of 14 and 18 who wishes to officiate lacrosse games. It is recommended that junior officials only officiate youth games for players that are at least **two age levels below** their age.

Requirements

1. Attend a **Training Clinic** (Classroom and on field instruction)
2. Take and pass the **Annual Online Rules Exam**
3. Demonstrate required officiating skills during an **On-Field Evaluation**.
4. Must be a **Current Member** of USA Lacrosse with Official participation (If you are a member as a Player, you must contact Member Services and have Official added to your classification.
5. Complete the **Rules On-Line Course** (this is in **addition** to the Training Clinic in Item 1 above and takes approximately 2 hours to watch) (You only have to watch this once in your career)
6. Watch the **Annual Professional Development Course** – this may occur during your classroom time OR you will do this at home. It depends on when your classroom session takes place.

A USA Lacrosse Junior Official Certification is good for one year. Upon completion of the requirements, you will receive notification from your trainer with the expiration date of your certification. If you do not receive this notification, you have not completed the requirements and are not a USA Lacrosse Certified official. **YES, you must complete all the above requirements even if you are re-certifying.**
