

## CEVA CLUB DIRECTORS' UPDATES – 8/10/2023

- Adult memberships for the 2023-2024 season are now available on [our membership page](#). Purchase your membership for the season to start your club activation process. Read more about the club activation process [here](#).
- Once your club is active, let us know when your tryouts are so we can publish the information and sanction them. Complete [this form](#) on our website and we'll post the information.
- CEVA has several Safesport resources available [on our website](#) that can be distributed to your clubs and other teams. Please take a moment to look through them and familiarize yourself with how they're used and applied.
- We have a dedicated [help page on our website](#) for SportsEngine and AES. We're adding more information constantly. If you run into problems with SE, please check this page. We're here to help as well, but please understand that in some cases, we have limited access to go into your HQ.
- Junior memberships (tryouts and full season) will be available on September 1. Please encourage your junior players to purchase a tryout membership and then upgrade to a full membership once they make a team. Membership costs are non-refundable (read the membership refund policy [here](#)).
- Please read the [billing & invoicing policies](#) on our website. Note that changes made to Power League's Open Division will cause some teams to play an extra tournament and may impact their season cost.
- CEVA will once again be offering a grant to help a coach from our region attend the AVCA Convention in December. Preference for this grant will be given to coaches from diverse populations, coaches who have never attended the convention before, and/or coaches who primarily serve an under-served or underrepresented demographic. Read more [here](#). Applications open August 15.

## WHAT'S COMING UP
