

PACER FB NEWS & NOTES – WEEK 2

Pacer Football F.A.M.I.L.Y.,

Here is the link to this week's [Pacer FB News and Notes](#). Some items to highlight:

- Our JV team plays against St. Joseph on Monday night at 5:30pm. Due to low numbers, St. Joe's asked to use a scrimmage format with no special teams and we have agreed that is a good idea for this first "game". You will only see offense and defense played and the clock will be kept in a modified format. All freshmen and sophomores are expected to participate unless told otherwise by me.
- Tuesday is the first day of school for all of our new students.
- Wednesday is the first day of school for everyone. We will practice immediately after school on Tuesday, Wednesday and every day following.
- Wednesday night after practice is our first team dinner/devotion of the year. All players and managers are strongly encouraged to join us for dinner and a devotional message in the commons. We aim to be done by 6:45pm and this will be a regular weekly thing each Wednesday moving forward.
- Friday our varsity team plays our first home game of the year with a 7pm kickoff against old rival Catholic Central from Burlington. Varsity players are welcome to go home after school but need to be back to school by 5:00pm. They can also stay and hang out after school in the commons. We will provide a pregame sandwich and some snacks for all varsity players.
- Our freshmen will lift and have a brief walkthrough practice after school until 4:15pm on Friday.

Last item of note is that I will be sending another email with information about our fundraiser which begins this week. Look for that info soon.

Thanks for your continued support of Shoreland Lutheran Football.

Run to W.I.N. and Go Pacers!
